## General Comment

Dear Ms. Jackson,

I have attached the letter I wrote to Virginia's Governor, Bob McDonnell, giving him feedback on Virginia's draft WIP.

Should Governor McDonnell not fulfill his obligation to protect Virginia's waters, I respectfully request that the EPA, pursuant to the CWA, take the following actions:

- a) Rewrite the TMDL to maximize reductions from point sources;
- b) Rewrite or deny pollution discharge permits; and/or
- c) Assume responsibility for Virginia's waters.

Respectfully,

Bill Emory
